

PROJECT WORK FA2

6th class

I Personal Details

- 1 Name of the student :
- 2 Class : 7th class
- 3 Medium : English
- 4 Roll Number :
- 5 Subject : Mathematics
- 6 Topic : Fractions and Decimals
- 7 Name of the school : ZPP High School, Thikkavaram
- 8 Name of the mandal : Chillakur

II Project details

- 9 Name of the project : Preparation of bill
- 10 Aim of the project : To prepare a cash bill similar to the bill prepared in a fancy or provisional store using decimals.
- 11 Procedure : We as group of students visited a fancy shop nearest to us and collected the rates of different items. The collected data is tabulated in the following table and prepared the bill using multiplication and addition of decimals.

12 Cash bill

S.No.	Item	Rate of 1 item in Rs.	No. of items	Amount in Rs.
1	Powder	14.50	5	72.50
2	Soap	26.00	4	104.00
3	Shampoo	66.25	3	198.75
4	Hair oil	119.50	2	239.00
5	Bindi	0.20	100	20.00
Total Amount				634.25

13. Result : A model cash bill is prepared
14. Reference books : 7th class mathematics text book.
15. Signature of the student :
16. Date of submission :
